

Moss Street Market Volunteer Information Sheet:

Greetings! Thank you for dedicating your time to helping maintain the quality customer relations and uphold our community-oriented values at Moss Street Market. Volunteers have been a huge component to the sustainability and success of the market and we want to make sure that your time helping out is intentional, enjoyable, and fulfilling - we are so excited to have you join the Moss Street Market Volunteer Team. Here are a few tips to get you familiarized with the market happenings this season.

Moss Street Market has been in existence for 24 years! We are dedicated to bringing certified organic, quality produce, delicious and nutritious prepared foods, unique and handmade crafts to our community, as well as continue to create relationships with our vendors, customers and neighbours. Thank you for helping us uphold those values in your time representing the market as a volunteer.

Here are a few interesting tips about Moss Street Market:

- The market is a member of the BC Association of Farmers’ Markets, which means that everything at the market is “make, bake, or grow” - the mandate upheld by the provincially wide organization. It also means that the primary producer is the person who is selling at the market, so you can become familiar with any part of the production from the creator themselves.
- The Moss Street Market is a registered Not-for-Profit Society; you can become a member of the society by paying a small fee in order to gain voting rights at the AGM
- The Moss Street Market Board of Directors are made up of vendors who have been dedicated to the market for many years; they also help create the selection committees for each vendor category
- MSM has 6 staff; Kyle - Market Manager; Patty - Assistant Manager; Steven - Enviroteam Manager; Akiko - Coffee Tent Coordinator; Rita - Children’s Tent Coordinator; Alex - Event & Volunteer Coordinator. The rest of the market is run by the volunteers.

These are the most helpful volunteer roles at the market:

Set-up Volunteer	7:30 AM – 10:00 AM	requires heavy lifting
Kids’ Tent Volunteer	9:30 AM – 2:30 PM	requires childcare experience
Tear-down Volunteer	1:30 PM – 3:00 PM	requires heavy lifting
